## COPYRIGHT TRANSFER STATEMENT

### Studies in Informatics and Control Journal ISSN 1220-1766

#### Section A -Assignment of Copyright

We, the undersigned Authors, transfer ownership of our rights as authors to the *Studies in Informatics and Control* - ISSN 1220-1766 - if our joint paper titled ..... is accepted for publication in this journal.

We, the undersigned Authors, assume the responsibility by signing the present Copyright Transfer Statement to provide the mentioned article to the Publisher and to confer to *SIC* an immutable exclusive license to publish the article in both electronic and print format, and further sublicense the mentioned article in its original language everywhere in the world.

The Publisher shall be designated to use the right of repository of the article, its registration on a computer or any electronic data medium, the right to print, publish, copy, disseminate, and market the article in the optional form of printing and on any on-line and off-line data medium.

#### Section B- Warranties, disclosure of conflicts of interest, and other commitments of the Author(s)

We, the undersigned Authors, hereby declare and guarantee the following:

- We are the exclusive authors of the article and we have not granted any (non)-exclusive right to the Article to any third party before the execution of the present Copyright Transfer Statement;
- The article we have submitted to the journal for review is original, **our** intellectual product has been written by the stated authors, and has not been published elsewhere in any form,
- The article is not currently considered for publication by any other journal and will not be submitted for such review and does not infringe any existing copyright or any other third-party rights while under review by this journal;
- The publication of this paper in its current form is **approved by all** undersigned **(co)authors** and tacitly or explicitly by the responsible authorities where the work was carried out and no modification of the authorship will be made afterward;
- We understand that reproduction or **redundant publication** of the paper either in print copy or electronically, such as on the Internet, **is not permitted**. No content published by *SIC* (either in print or electronically) may be stored or presented on another private site, or organization's site, or displayed or reproduced by any other means. However, we may include a link on our websites to the official website of this journal with your permission, but we, or the institutions we are currently affiliated with, may not host any previously published material by *SIC* on any other website. We shall accept to indicate the exact location where our accepted paper was published in *SIC*;

<b>STUDIES IN INFORMATICS AND CONTROL</b> With Emphasis on Useful Applications of Advanced Technology	<b>EDITORIAL OFFICE</b> ICI Bucharest, Publishing Department 8-10 Averescu Avenue, 011455, Bucharest 1, ROMANIA Email: sic@ici.ro	 Published by ICI Bucharest

- The article contains no libelous, obscene, or other unlawful statements and does not contain any materials that violate any copyrights or the personal or proprietary rights of any other person, entity, or third party;
- We are committed not to be involved in any potential conflict of interest associated with *S/C* or with our contribution to the journal;
- We have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have credited the sources in our article accordingly;
- We also understand that, for the exclusive transfer of the author's rights, no royalty (or any other fee) shall be claimed if our abovementioned article is accepted for publication;
- In case of acceptance, we, the undersigned Authors, understand and undertake to pay the APC fee and other costs communicated by the editors by e-mail at the beginning of the evaluation process.

#### **General Data Protection Regulation**

In the event of acceptance for publication, we the undersigned, do grant permission free of charge to the Publishers of *Studies in Informatics and Control* journal to make our article freely available online, on the journal website ([www.sic.ici.ro](http://www.sic.ici.ro)). By consenting to this privacy notice we permit the above-mentioned journal to process our data specifically for publishing and disseminating/distributing our joint paper through third-party providers such as international scientific databases and portals. This permission includes, without limitation, the right to publish the work in whole or in part in any media now known or later developed.
